## EXPERIENCE

SINCE FEBURARY 2022

### Hearst Newspapers • Interactives Editor

Coordinate data-driven projects and initiatives across 24 newspapers. Assist in conceptualizing, executing, and editing data visualizations, interactive projects, and reader tools.

MARCH 2019 - FEBURARY 2022

### Los Angeles Times • Data and Graphics Journalist

Working with reporters and editors to create data and graphic stories for print and online. Using tools like D3 and Python to create original data stories and Illustrator to create visual stories.

JUNE - AUGUST 2019, JANUARY - MAY 2020

### Columbia University • Mentor

Mentored more than 40 graduate students on how to develop data story ideas and how to present them. Helped find data sources for topics such as TV show dialogue and NGO funding.

MAY 2017-MARCH 2019

### Minneapolis Star Tribune • Digital Designer

Helped plan designs for various enterprise projects, as well as creating graphics and data visualizations for digital use. Working with writers and editors to create daily and weekly visual stories with infographics.
